Benefits for joining our organization.

Hi again,

Thank you for your question.

1st By joining as a member this gives you access to our live meeting we hold once every 1st Wednesday of each month at 6:30 PM and to join other members to discuss the direction the city of Yamhill is **taking or not taking** and for us to get to know you and your comments and needs.

2nd You will be put on our email list to receive up to the minute information the city is planning to move forward with or discuss in their council meetings and our association's opinion, in addition to receiving our monthly newsletter.

3rd Most importantly, you will add your voice to our group so the city of Yamhill cannot ignore the questions we put fourth (sending an official request of questions) to the city council or representing our entire group in a Zoom city council meeting.

4th Just as important as the 3rd reason, as we are a new non-profit, we would not be an association without members like you to join our cause and add your voice to the city's direction.

5th The small $20 donation or more for membership allows our organization some funding to support our cause as we gain members and move forward. You can donate even more if you feel like it.

Here is the online payment link: https://www.yamhillneighborhoodassociation.org/shop/?add-to-cart=630 . Should you not want to pay online even though its extremely secure you can download our signup document here https://www.yamhillneighborhoodassociation.org/wp-content/uploads/2021/09/Membership-Check-and-signup-document.pdf and send us a check for $20/year membership to: 212 N Maple St, Yamhill Oregon 97148 and we will gladly sign you up ether way.

Thank you again for your question!

Should you have any additional questions please don't hesitate to ask us as we will be glad to reply anytime.
